Hi Cary-

I wanted to let you know that I have a date conflict with the [REDACTED] trial scheduled for May 4, 2010, in Springfield and another district court trial in Pittsfield. I would have informed you sooner but the other ADA was under the impression that that case was going to plea out, but now it appears that it will definitely be a trial. Have there been any changes in the [REDACTED] case? If nothing has changed, I'll talk with the other ADA again to find out where the case ranks on the trial list. Sorry.

Hi Sonja,

The new date on this case is 5-4-10. You'll get a subpoena soon, but if it's a bad date just let me know.

Best,

Cary

Hi Cary-

I'm writing to let you know that nothing has changed in my schedule for March 11, 2010 - I still have a trial scheduled in Holyoke as well as another trial in Springfield that day. I have emailed the other two ADA's involved and am on call - would it be okay if I am on call for the Irizarry case as well? Thank you for your response.

-Sonja
